Dear Parents and Preschool Providers:

Our annual registration process for Kindergarten and Transitional Kindergarten begins January 16, 2018.

## **Kindergarten and Transitional Kindergarten**

- ❖ Black Oak Mine offers both a one year and a two-year Kindergarten program.
- ❖ The one year Kindergarten (K) is for those students who turn five on or before September 1, 2018.
- ❖ The two-year program is a year of Transitional Kindergarten (TK) and a year of Kindergarten. This program is for students who turn 5 between the dates of Sept. 2 and Dec. 2, 2018. This program presents a gift of time to help support younger children to become socially and academically ready for entry into a traditional kindergarten setting.
- ❖ We also extend our TK enrollment to include students who turn 5 by March 15, 2019. Children with a birthdate closest to Dec. 2<sup>nd</sup> are given priority.
- ❖ All enrollment in K and TK is based upon birthdate, class size, assessments & developmental readiness.
- ❖ All TK and K students begin school in August.
- ❖ TK and K are offered at all school sites.

Please contact your school for registration packets, information on parent nights and to sign up for an appointment date for TK-K Round-up. All families need an appointment and children need to come to Round-up for initial assessments and to meet teachers.
